

SAVE SIESTA KEY

Dear Senator Gruters,

We are writing to let you know that a group has formed to explore the incorporation of Siesta Key. Save Siesta Key, Inc. has a nonpartisan board of directors comprised of local leaders and is a 501(c)4. Our first interest is in doing a feasibility study and we will be seeking data from the county to complete the study. We hope to work with you and will be reaching out to schedule a meeting with you in the near future.

Our Chairman of the Board is John Davidson, and our Secretary is Lisa Choate. Additional board members include Tracy Jackson, The Honorable Harry Anand, Rick Munroe, Timothy Hensey, Chuck, Byrne and Stephen Lexow.

We look forward to your support as we progress with this effort. In the meantime, please feel free to contact any of us with questions or recommendations.

Respectfully,

The Save Siesta Key Inc. Board of Directors
